

DARLINGTON NEIGHBORHOOD ARCHITECTURAL REVIEW FORM

ALL buildings and structures erected within Darlington HOA boundaries shall comply with each applicable zoning and building code. All Darlington HOA CC&R's and architectural guidelines apply in conjunction with zoning codes. Permits MUST BE PROVIDED prior to construction. The Architectural Approval form must be submitted 30-days prior to the start of work that is to begin. Per the CC&R's, the Architectural Committee is permitted 14-days to respond to a request.
